A New Beginning/Breaking News

Board of Directors Message

Dear friends of the PCC,
Welcome to our second
newsletter!
There is much to report to
you since our last letter.

Director. The Pregnancy
Care Center is in
exceptional hands as we
head into a new season.
Thank you to all the
amazing candidates who
applied for the position.

"Before I formed you in the womb,

I knew you"

Greetings in the name of our
Lord, Jesus Christ!

I am very excited to step into
this new role as Executive
Director of the Pregnancy Care
Center. As of November 1st, I
have submerged myself into the
task of administrative
excavation to unearth where we
have been in the past and to
prayerfully give us direction into
our brand-new future!

It's been more than a little
overwhelming, the support from
the community and churches
this far! Together with the
Board of Directors, we will be
marching forward with wisdom,
courage, and boldness.

I look forward to working with
God's people united in saving
babies lives!

I covet your prayers!

Stay tuned and put your seat
belts on!

Words cannot express our gratitude to all our faithful supporters. We are humbled at your commitment to saving lives. We continue to seek God's wisdom as we enter a new season. More than ever before, we need your prayers and support. The PCC Staff and Board of Directors are working tirelessly to build a solid foundation to meet the current and future needs.

In the month of October, a group of Volunteers, Staff and Board Members participated in an intensive two-day Pro-Life Training Retreat in Oneida New York, hosted by Julie Rosati, Director of Life Matters Training Center.

(Final Day at the Life Matters Training, hosted by Julie Rosati, in Oneida, NY)

We visited the New Hope Family Services Center in Syracuse, participated in Street Ministry in Downtown Syracuse, and joined a 40 Days for Life rally in front of

the Planned Parenthood in Syracuse, NY

(First Day of Training at the New Hope Family Services Center in Syracuse, NY)

(40 Days for Life Rally with Steve Karlen in front of Planned Parenthood in Syracuse, NY)

(Back to Basic Street Ministry Sharing and Praying for the needs of community. Many accepted Jesus Christ for their Salvation)

During the next few months, with new priorities in place, we will take the major steps needed to fully immerse the

PCC in Staten Island, expand our network, and work with other agencies that align with the vision and goals of the PCC.

Our goals going forward:

- Expand our Outreach, helping men & women experiencing an unplanned pregnancy.
- Increase our Pre Termination & Post Abortion Counselling Team
- Improve our Social Media presence.
- Provide Pro-Life Training for volunteers.
- Provide Social Services that support families
- Hire more staff members to oversee volunteers and training sessions
- Provide an environment that nurtures and supports life.

A New Location

On the North Shore

As we mentioned in our last newsletter, the PCC is currently and intentionally "homeless" as we prayerfully

search for a new location. We are currently looking for a building in a location that best serves all of Staten Island.

The vision for this facility is to focus on parenting, nutrition, and other life skill classes for our clients at a location that is easily accessible by car, bus, or train. We need office space that can handle a large volume of clients, a training center that provides instructional training for both volunteers and clients, and space for a "Baby Boutique" filled with baby clothes and supplies.

This new space will grow with us as we expand our support staff and storage capacity so that we can continue to receive donations of diapers, formula, baby bottles, clothing, car seats, etc.

If you are aware of a property that is available, contact us.

2022 Events & Vision

We are looking forward a bright future in 2022. Stay tuned for more details about our yearly events: the Winer Rummage

Sale, the Spring Gala, the May Golf Outing, and the Fall Walk/Run-for-Life,

(Rummage Sale Volunteers, 2020)

Our long-standing vision to secure an ultrasound equipped van that can provide free ultrasounds for mothers and fathers to see and hear their unborn child is still a goal. Ultrasounds have been instrumental in many decisions being made for life.

(Our Major Goal for 2022 – The Ultrasound Van)

We are seeking God's direction in acquiring this van and a certified licensed professional or nurse practitioner to provide this life changing service. The

testimonies of how an ultrasound impacted moms to choose life for their babies is priceless.

We covet your prayers for this vision to become a reality.

2022 Donations

We will be participating in #GivingTuesday on November 30th so look for us on your favorite social feeds and spread the word! If you are an amazon.com user, we participate in the amazon smile program that donates a portion of your purchase to your choice of charities.

All donations are tax deductible. You can make a one-time gift or set up regular monthly support on our secure site.

You can go to our website – <https://www.pccofny.org>

– and go to **DONATE**.
