Pregnancy Care Center Mission:

Acknowledging that every human life begins at conception and is worthy of protection, the mission of the PCC of NY is to offer servant hearted love, hope, and help to anyone considering abortion by presenting them with realistic alternatives and Christ-centered support through our life affirming network of counselors, churches, and individuals.

Board of Director's Message:

Dear friends,

The Gala is almost here!! We cannot wait to see everyone in person again. If you cannot attend in person, please join us via Zoom by using the link on the next page or by going to our website at <https://pccofny.org> choosing the **About Us** tab and clicking on **events**.

God is opening up so many doors of new opportunities as we faithfully seek His direction. Please pray that God will soften the hearts of women and men who are experiencing an unplanned pregnancy and grant them saving faith in Jesus. May they draw closer to Him. We are praying to expand our outreach efforts to meet those in need of our services where they live, increase our team, and expand our resources so that we are fully equipped to walk alongside them on their journey into parenthood. We praise God for you and covet your prayers.

See you on the 28th!!

God bless.

Executive Director's Message

Arlene Rutuelo

Please allow me to pull the curtain back a bit, and give you a glimpse into my heart as Executive Director of the Pregnancy Care Center of NY (PCC of NY). I want to share with each of you some of the reasons that my heart has grown so full of gratitude and encouragement and hope in these first five months of my service as Executive Director.

Our mission can only be accomplished with the joint dedication of our officers, volunteers, and church partners to: acknowledge every human life begins at conception and is worthy of protection, and to offer servant-hearted love, hope and help to anyone considering abortion by presenting them with realistic alternatives and Christ-centered support.

When I look at how God has honored the dedication of all involved so far, multiplied our efforts to reach the general community, invited us to present the ministry to Christians

Highlights:

The Pregnancy Care Center was able to guide and support "Jessica" through her pregnancy in 2021.

When she called us to ask for help in clothing her one-year old son, we were able to gather a whole bin of donated items in his size and bring them to her home.

As you can see from her smile, she was very thankful!

Your support is being used by God to preserve and provide for the precious lives of children like him in profound ways.

Be encouraged!

Volunteers taking the lead!

Norma Roldan has been a faithful donor and volunteer at the PCC for years. She has been instrumental in helping plan our 21st Annual Spring Gala, taking place on April 28.

Thank you, Norma, for using your administrative gifts and your wonderful personality to reach out to past table hosts, inviting new table hosts and helping us get closer to reaching our goal of four hundred people in attendance.

Thank you for contacting various organizations and securing sponsorship as well. You are such a blessing to the PCC!!

Table hosts and Sponsors are still needed. If you are interested in signing up, please reach out to Arlene at 718-614- 4724.

gathered for Sunday worship, welcomed us to participate in community outreach events at which we provide gifts and Scripture-based literature for expectant moms and their families, I am humbled and amazed.

God has impressed upon my heart the need to focus on these three areas to prepare to be used by Him to "speak life" into the hearts of abortion-minded women:

Training for Volunteer Staff, Prayer, and Unity around our Core Mission.

TRAINING - We have been blessed to connect with Dr. Joyceann Fileccia, who serves as our Educational Consultant and Mentor. We had two intense, informative sessions with her in March, are scheduled for another training at the end of April, and in May, are planning for her to provide a high-level training for individual counselors.

These free sessions will equip each volunteer with a deeper level of knowledge that is necessary for them to work as a team, in harmony with each other and the Lord's purpose for them.

PRAYER - We must commit to pray for one another. Our ministry fights against darkness and evil, but we serve a mighty God! Please pray regularly for the Board of the Pregnancy Care Center, all volunteers, our supporting

churches, and for me, in various capacities. As you pray for us, ask God to help us to be continually effective in bringing His Gospel of truth, hope and love to every neighborhood in our borough.

UNITY - I have seen the hand of God welcoming us as co-laborers in Christ as we speak to and meet with pastors and leaders on Staten Island, Brooklyn and across New York, to build working relationships and trust. Praising God for making a way for all of us to train for, and be equipped to handle His answers to our prayers to increase the number of lives we impact this year.

Together for Life,
Arlene

So, neither he who plants nor he who waters is anything, but only God who gives the growth. He who plants and he who waters are one, and each will receive his wages according to his labor. For we are God's fellow workers. You are God's field, God's building. According to the grace of God given to me, like a skilled master builder I laid a foundation, and someone else is building upon it. Let each one take care how he builds upon it. For no one can lay a foundation other than that which is laid, which is Jesus Christ.
