Pregnancy Care Center Mission:

Acknowledging that every human life begins at conception and is worthy of protection, the mission of the PCC of NY is to offer servant hearted love, hope, and help to anyone considering abortion by presenting them with realistic alternatives and Christ-centered support through our life affirming network of counselors, churches, and individuals.

Board of Directors' Message

Thank you to everyone who participated in our Baby Bottle Boomerang. Jim is still counting change at the banks coin machine!! LOL

We are excited to partner with so many community organizations as we table at various summer outreaches. We hope you can visit us throughout the summer at an outreach or attend our Summer Rummage Sale on July 23rd.

We are starting to plan for our Golf/Run Walk for Life event at Silver Lake Golf Course and Park on September 24th. If you would like to join the planning committee, please let us know.

We hope you enjoy any vacations you have planned and ask that you remember the PCC in your prayers as we reach so many areas of SI, helping women and men dealing with an unplanned pregnancy.

Highlights

A wonderful note of encouragement to all our supporters.

Here is one of the women we have served this year, and her beautiful daughter, who was born Easter Saturday!

Executive Director's Message

Arlene Rutuelo

...

Light shines in the darkness even if the world we live in seems filled with an overwhelming sense of brokenness.

This past month we have witnessed horrific violence towards Pregnancy Care Centers across America and recently in Buffalo, New York.

The Pregnancy Care Center will continue our mission to *“offer compassion, hope, and help to anyone considering abortion by presenting them with realistic alternatives, and Christ-centered support through our life affirming network of churches, organizations and individuals”*.

One tangible was this summer is we are increasing our presence in the Staten Island Community by tabling at community events. We are meeting people where they live. We share diapers, clothing, toys, and, most importantly, the love of Christ!

(Continued on page 2)

"The light shines in the darkness, and the darkness has not overcome it." John 1:5

The Pregnancy Care Center of New York (PCC) connected this mom to one of our local churches, where she and her daughter have been loved and supported.

We pray God continues to find the PCC faithful as we introduce these moms and babies to God's people and most importantly to Jesus Christ!

Volunteers taking the lead!

Maytee' Thomas has been volunteering at the PCC for 11 years. She began in 2011 as a receptionist. Through the years she has helped at events such as rummage sales, community outreaches, annual galas and walks for

life. She has also been instrumental in counseling the PCC's Spanish-speaking clients. Thank you, Maytee', for all the ways you have blessed us!!

Food for thought:

Luke 15:20 ~ "So he set out and came to his father. But when he was still a long way off, his father saw him and felt compassion *for him*, and ran and embraced him and kissed him."

What a good Father we have. *He runs to us.* God help us to realize what a privileged people we are, to have the God of the universe be so mindful of us.

David said in Psalm 8, "What is a man that you are mindful of him," be encouraged, we are a blessed people!
