Pregnancy Care Center Mission:

Acknowledging that every human life begins at conception and is worthy of protection, the mission of the PCC of NY is to offer servant hearted love, hope, and help to anyone considering abortion by presenting them with realistic alternatives and Christ-centered support through our life affirming network of counselors, churches, and individuals.

Board of Directors' Message

As we celebrate our nation's birthday and the freedom we enjoy, may we continue to pray for our Staten Island community, our state and our nation. We are here for such a time as this and we are trusting God to guide and direct our every step.

We hope you are enjoying your summer, and we welcome your household items, clothing and other donations for our Summer Rummage Sale on July 23rd. We are also preparing for our Golf/Run Walk for Life event at Silver Lake Golf Course and Park on September 24th.

Please be on the lookout for how to register. We hope it will be a wonderful way to bring people together to honor the choice for life. We are creating a PCC app to simplify access to all the exciting ways to be involved with the PCC.

TO: All Supporters of the Pregnancy Care Center of Staten Island

We have recently witnessed a legally significant moment in the history of the United States that will change the dynamics of ministering to abortion-minded women across the country. The reversal of the *Roe v. Wade* decision by the Supreme Court on the United States, gives individual states the right to decide whether abortions may, or may not, be performed within their borders.

Reactions have been sharp and swift. The State of New York is welcoming, indeed, subsidizing, women to come to New York to have their abortions here if their home state is outlawing them. The marches, protests and OpEd pieces will continue to inflame emotions. But emotions will not testify to our calling to

distributions, sorting donated items, and she is a faithful part of our outreach team. She always greets people with a welcoming smile that makes everyone feel loved and accepted. In addition, Danielle is her mom's rock star assistant helping in so many ways.

We have so many volunteer opportunities — please check out our website home tab or call the office for more information. One volunteer who wants to remain anonymous has been volunteering at the PCC for over 30 years. Through the years she has overseen volunteer coordination of our rummage sales, community outreaches, annual galas and walks for life. She has also been instrumental in training the PCC counselors as well as counseling the PCC's clients. In addition to all this, she has opened her home to store baby supplies, clothing, diapers, outreach materials, etc. She is her church's PCC representative and is part of a Mobile Ministry team as well as our Outreach Team. Thank you for all the ways you have blessed us!! We would not be where we are without YOU!!

Outreach Coordinator Message:

Greetings,

I am ecstatic and overflowing with joy to join the Pregnancy Care Center of NY as the Outreach Coordinator! I am privileged to have been entrusted with the opportunity to join such a team of people who believe in the sanctity of life and have dedicated their lives to ministering to women in need, while sharing the gospel of Jesus Christ. Together, we will make an impact on the city and ultimately the world!

"And how can anyone preach unless they are sent? As it is written: 'How beautiful are the feet of those who bring good news!' " Romans 10:15

As the Outreach Coordinator, I look forward to ensuring that the Pregnancy Care Center is at the forefront of every conversation involving a pregnancy. My prayer is that anytime a pregnancy is discussed, the Pregnancy Care Center will be a

obey God and protect the sanctity of all human life.*

This tragic decision by our state government, however, may allow for out-of-state parents of preborn children to make their way to our ministry, and others like the PCC, only to find that they can have their babies with the support, resources and encouragement they need, in Christ.

For four decades, we have cared for and provided for such families, and we are committed now, more than ever, to this vital mission.

Your hands-on and vocal support of our mission is needed now, more than ever. If your church would like to partner with us for outreach in the community, or lessons on the sanctity of human life in your Sunday School classes, please contact us. We can also help provide you with dedicated prayer times to seek the favor of God with our ministries here on Staten Island.

Together for Life,
Arlene

*In *The Daily Wire* original documentary, [Choosing Death: The Legacy of Roe](#), you will hear about the four fallacies at the heart of the abortion industry. With God's truth at the ready, and this documentary, you will be equipped to stand up for the most vulnerable among us. This film is free to watch for a limited time.

trusted and reliable resource that people will instinctively recommend. My goal is to speak life with every interaction I have while ministering on the streets of Staten Island. With the guidance of the Holy Spirit, I believe that the Lord will do amazing and miraculous works among us and through us.

In faith, I look forward to sharing many testimonies of babies that will be saved and families that will come to Christ through our united efforts. I ask for continuous prayers as we know we are living in perilous times, but we take courage "For God has not given us a spirit of fear and timidity, but of power, love, and self-discipline." 2 Timothy 1:7.

Food for thought:

"It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery." Galatians 5:1

As we celebrate the liberties that this country has afforded us, it certainly does not compare to the freedom that Jesus has given us when He chose us to be His children.

We are no longer bound by sin, we are no longer slaves to this world!

Let's show the world what real freedom looks like!
