

End of Year Report

Our Mission

Acknowledging that every human life begins at conception and is worthy of protection, the mission of the PCC of NY is to offer servant-hearted love, hope, and help to anyone considering abortion by presenting them with realistic alternatives and Christ-centered support through our life affirming network of counselors, churches, and individuals. Referrals for abortion will not be offered.

Message From The Board

During the Christmas season we celebrate by exchanging gifts because the Lord Jesus Christ was given to us by God as a gift.

A young virgin "gave birth to her firstborn son and wrapped him in swaddling cloths"* and the "Word became flesh and dwelt among us."** He is the symbol of our salvation and signifies the forgiveness of all our sins. Our Heavenly Father showed us unconditional, irrepressible, and self-denying love through the birth of His Son.

What joy comes from the knowledge of the true meaning of Christmas.

As we enter our 40th year of service to the Staten Island community, we celebrate the opportunity to give and serve and extend a heartfelt thank you to all who have faithfully supported the Pregnancy Care Center of NY. We ask for your continued prayers and support as this month we opened the doors to a new mid-island center.

But that is not all, you too can express your gratitude and happiness by exploring the myriads of opportunities to give and serve.

Contact us today and share the joy that comes from the knowledge of the true meaning of Christmas.

"May grace and peace be multiplied to you in the knowledge of God and of Jesus our Lord."

Message From Our Executive Director

As we come to the end of 2024, it is a good practice to reflect on the year and look forward to 2025.

Be encouraged, as God is already there; He knows the future.

I have served as Executive Director for the past three years,
a great privilege and honor.

Beginning in January, we faced a year of tremendous transition for the PCCofNY.

Board and staff started in a whirlwind of contracts, designers, architects, contractors and renovations at the new center in Dongan Hills. Very exciting times, but plenty of red tape and some financial challenges as well. The lagging economy has affected so many people across our nation and also our ministry. In response, we made difficult decisions to balance our budget, but the good news is, we will be seeing clients in our center in December. We praise the Lord.

In 2024 the PCCofNY continued to operate as a mobile model and can report 28 babies were saved. In comparison to 2023, we had 9 babies saved.

Thank you, Lord, for the increase!

I am reminded of these words from the prophet Isaiah,

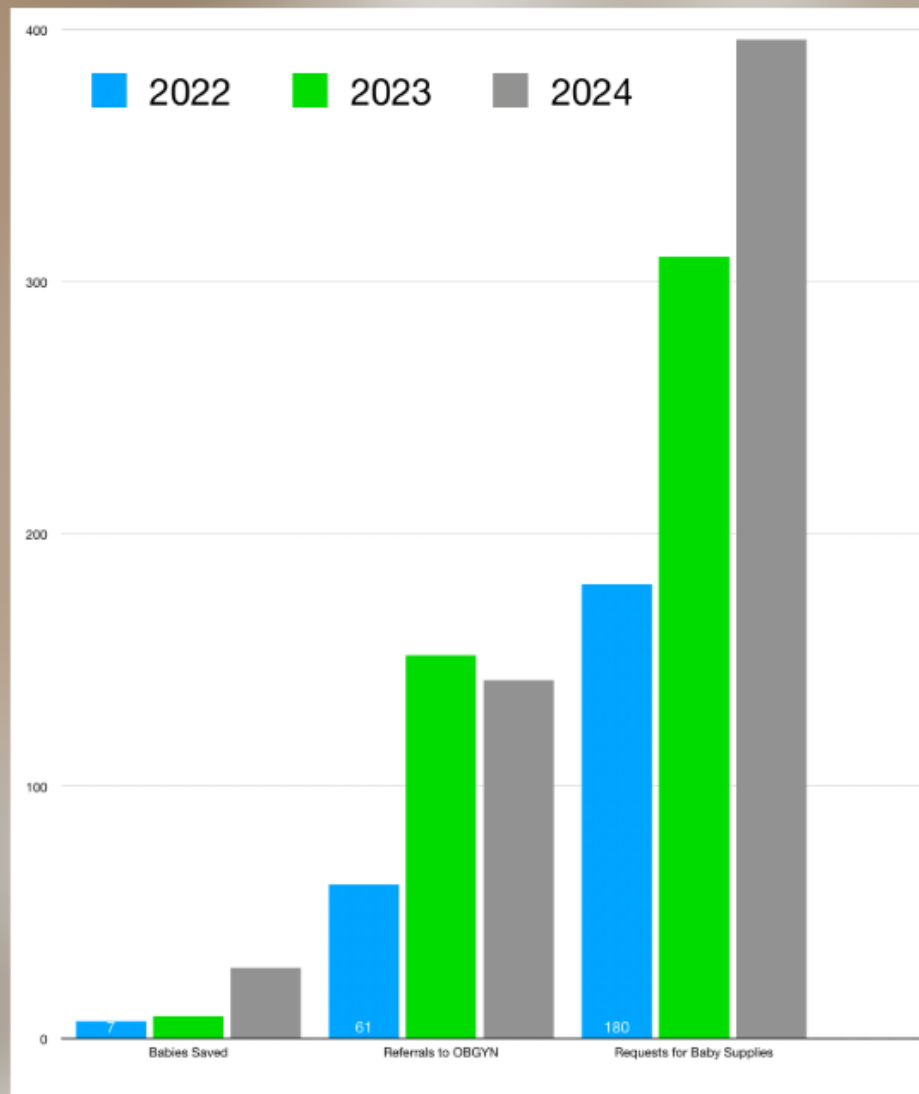

"For I am about to do something new. See, I have already begun! Do you not see it? I will make a pathway through the wilderness. I will create rivers in the dry wasteland" Isaiah 43:19

Join me in welcoming "something new" for the PCCofNY in 2025!
Our God is there already there and we pray that we will join Him!

- Arlene Rutuelo
