

Mission Statement

Our mission is to empower women and families to choose life by providing compassionate care, fostering community partnerships and offering hope for a brighter future.

Message from the Executive Director

Dear Friends,

As we begin the summer season, I am filled with gratitude for God's faithfulness and for each of you who make this ministry possible.

The past several months have been filled with opportunities to serve women and families facing unplanned pregnancies. Through your prayers, volunteer service, and financial support, lives are being transformed every day. Together, we continue our mission of **"Empowering women and families to choose life."**

This spring was especially encouraging as we celebrated our 41st Annual Gala. It was a wonderful evening of fellowship, testimony, and renewed commitment to protecting both women and their unborn children. Thank you to everyone who attended, sponsored, volunteered, and prayed for the event.

TBD Fall 2026- Annual Golf Outing

April 29, 2027- Annual Fundraising Gala

Message from the Executive Director *Cont.*

Ministry Impact

Since partnering with CompassCare, our ability to connect abortion-vulnerable women with ethical, life-affirming medical care has grown significantly. Through ultrasounds, consultations, abortion pill reversal services, and compassionate support, more women are receiving the information and care they need to make informed decisions.

Recent ministry highlights include:

- Increased referrals for pregnancy and ultrasound services
- New church partnerships throughout New York City
- Ongoing support for mothers through parenting resources and mentoring
- Women choosing life after receiving compassionate care and practical assistance
- Every number represents a person created in the image of God and a family whose future has been impacted by your generosity.

A Story of Hope

Recently, a young woman contacted us feeling overwhelmed and alone. She believed abortion was her only option. Through compassionate counseling and a referral for an ultrasound, she was able to see her baby's heartbeat.

That moment changed everything.

Today she is continuing her pregnancy and receiving ongoing support through our ministry. Stories like hers remind us why this work matters and why the Church must continue to be a place of hope and help.

Baby Bottle Boomerang Continues

Our Baby Bottle Boomerang Campaign runs through Father's Day, June 21st.

If you have not yet returned your baby bottle, there is still time. Every coin, dollar bill, check, and online donation helps us continue serving women and families in our community.

Thank you to the churches and families who have participated this year.

Baby Bottle Boomerang Fundraiser

Attention Church Family!

On Mother's Day, May 10, please pick up an empty baby bottle in your church lobby. Fill the bottle with coins, dollars, and checks, and return it to your church on Father's Day, June 21.

Your generosity will support the Pregnancy Care Center of NY, bringing hope and joy to those in need.

Thank you for your participation and support!

Looking Ahead

As summer begins, we are preparing for:

- Expanded outreach efforts throughout Staten Island and Brooklyn
- Additional volunteer training opportunities
- Community events and church presentations
- Continued growth of our partnership with CompassCare
- Please pray for wisdom, protection, and open doors as we seek to reach more women before they feel pressured into abortion.

Thank You

The writer of Hebrews reminds us:

"Through faith they conquered kingdoms, administered justice, and gained what was promised..." (Hebrews 11:33)

Your faithful partnership is helping bring hope, truth, and practical support to women who need it most. Thank you for standing with us as we continue this vital mission.

Together, we are saving lives, strengthening families, and sharing the love of Christ.

For Life,

Arlene Rutuelo

Executive Director

Pregnancy Care Center of New York

"Empowering women and families to choose life."

Message from the Board of Directors

CELEBRATING LIFE

June is a month filled with many celebrations, including the celebration of life. At the Pregnancy Care Center of NY, we are committed to protecting life in the womb because we believe every human being has infinite value.

Your life matters. Your existence matters. You are worthy of love. Thank you for your prayers and support as we defend the smallest and most vulnerable among us. God bless you throughout the summer of 2026!

Nurse's Corner

Over the past year, since the inception of the Pregnancy Care Center (PCC) and CompassCare, the nurses have seen numerous patients with unexpected pregnancies. We have listened to patients struggling to understand their current situation, encouraged them to work through conflicts and issues, supported them in their most desperate times and prayed with them for God to help them in their decision. Most of our patients come to us requesting an abortion.

The nurses are so happy to announce that one of our patients just delivered a healthy, beautiful baby girl. We are also anticipating two more patients to deliver their babies during the Summer 2026. These births are truly a miracle from God. All three patients came to us requesting an abortion and through the appointments with the nurses, seeing the baby during the Ultrasound and hearing the fetal heartbeat, the women decided to change their minds and choose life.

Cont. on page 6

Nurse's Corner *Cont.*

Last week, we had the pleasure of seeing one of the patients, who is due to give birth, return to the PCC, to pick up baby cloths, a car seat, diapers and toys. She shopped in the PCC Boutique and picked out her favorite pink dresses and adorable outfits (they have three boys and are expecting a girl). She and her husband were so happy and excited. This was a memorable moment for them as well as the staff, and truly a blessing from the Lord!

From the nurses, we would like to thank our Executive Director, Arlene, CompassCare, PCC Board of Directors, Volunteers, our donors and prayers partners for supporting us and giving us the opportunity to work in this wonderful ministry!

Volunteer of the Month

Meet Ginny Indelicato

“It is my pleasure to serve the PCC as a volunteer. There is power in prayer and although I can’t change a thing, I know He can. So it was a privilege for me to pray, trusting God to open her eyes and let this baby live. It was my honor to serve God at PCC.”- Ginny's comments on a patient who came to the PCC that day.

We are incredibly blessed and grateful for volunteers like Ginny. Her heart to serve, her kindness, and her willingness to show up again and again are such a beautiful reflection of God’s love in action.

We appreciate your dedication to the PCCofNY

2026 Annual Fundraising Gala

CompassCare Walk for Life 2026

The 2026 CompassCare Walk for Life took place throughout May in communities across New York State, bringing together individuals, families, churches, and supporters committed to protecting and empowering women and their unborn children.

On May 2nd, the Pregnancy Care Center of New York joined with members of the local church community at Gateway Church for a meaningful Walk for Life event. Participants walked in support of women facing unplanned pregnancies and helped raise funds to provide ethical medical care, practical resources, and compassionate support.

The event was a powerful reminder that when communities come together in faith and action, lives are changed. Every step taken and every dollar raised helps ensure that women receive life-affirming care, accurate medical information, and the support they need to make informed decisions for themselves and their families.

We are grateful to everyone who participated, donated, volunteered, and prayed for this important ministry. Together, we continue to bring hope, help, and healing to women and families throughout New York.

Staten Island Christian Church Easter Community Outreach

PCCofNY was blessed to participate in the Easter Community Outreach hosted by Staten Island Christian Church! Led by Pastor Ysrael De La Cruz and his wife Angela.

It was a wonderful day connecting with families and members of the surrounding community while sharing hope and encouragement.

This faithful and caring church also hosted a special Baby Shower in support of the Pregnancy Care Center of New York. Through their generosity, we were able to bless moms and families with much-needed diapers, baby clothing, and other essential items.

We are so grateful for the partnership and support of Staten Island Christian Church as we continue our mission.

Thank you, SICC, for your compassion, generosity, and commitment to serving your community. Together, we are making a difference, one family at a time!

Exciting News! Staff Member Had a Baby!

On May 18, 2026 at 4:18pm, I gave birth to our son, Noah Alexander Martin. Through much prayer, God blessed me and my husband, Chris, with a beautiful baby boy who we still can't believe is ours. Three weeks later, I continue to be in awe of God's handiwork that is beyond comprehension. Pregnancy and birth have given me a deeper understanding of the sanctity of life—how every heartbeat, every movement, every breath is intentionally and wonderfully made by God. I am truly humbled that He allowed me to be part of His creation story and experience the miracle of motherhood firsthand. My son is a reminder of God's faithfulness, His love, and the sacred value of every human life.

- Annabelle Martin, Social Media Specialist
