Mission Statement

Our mission is to empower women and families to choose life by providing compassionate care, fostering community partnerships and offering hope for a brighter future.

Message from the Board of Directors

Gratitude is a central theme in the Bible. First Thessalonians 5:16–18 says, “Be joyful always, pray continually, give thanks in all circumstances, for this is God’s will for you in Christ Jesus.” Notice the call to give thanks in every circumstance. Gratitude should shape our daily lives, flowing naturally from our hearts into our words.

God’s people are grateful because we recognize how much we have received. In contrast, 2 Timothy 3:2 identifies ingratitude as a trait of wicked people in the last days. When we are thankful, our focus moves off selfish desires and off the pain of current circumstances. Expressing thankfulness helps us remember that God is in control.

The PCC of NY is grateful for the men and women who turn to us in times of crisis and for the opportunity to serve them in our new office, providing much-needed support in partnership with CompassCare. We are thankful to share the gospel with clients who are open to hearing it, and especially for those who choose Jesus as Lord.

Our gratitude also extends to the faithful individuals who support us throughout the year, the churches that include us in their mission, and our staff: Arlene Rutuelo, Executive Director, and Annabelle Martin, Social Media Coordinator. Finally, the Board of Directors is grateful for the opportunity “to empower women and families to choose life by providing compassionate care, fostering community partnerships and offering hope for a brighter future.”~ Sonia Justiniano

Message from the Executive Director

Dear Friends and Partners in Ministry,

As we say goodbye to the warm days of summer and welcome the beautiful colors of fall, I am reminded once again of God's faithfulness through every season. Just as the seasons change, so do the lives of the women and families we are blessed to serve at the Pregnancy Care Center of New York.

This summer has been a season of blessings, opportunities, and meaningful connections. Through the generosity of our faithful supporters, churches, volunteers, and community partners, we continue to offer hope, encouragement, and practical assistance to women facing unexpected pregnancies. Every phone call answered, every appointment scheduled, and every life touched reminds us why this ministry is so important.

As we celebrate **41 years of serving women and families in New York City**, we are especially grateful for our partnership with CompassCare, which has allowed us to expand our services to include medical care right here on Staten Island. What was once a prayer and a vision has become a reality! God continues to open doors, and we are excited to see how He will use this partnership to reach even more women with compassionate care and life-affirming support.

I want to share one story that beautifully illustrates why we do what we do. Earlier this year, a married couple came to us facing an unexpected pregnancy and uncertainty about their future. The couple, who came from a Muslim background, was considering abortion. Through compassionate counseling, encouragement, and the opportunity to receive support, they made the beautiful decision to choose life for their baby! But God was not finished writing their story. As our relationship with this family continued, the mother opened her heart to the message of the Gospel and accepted Jesus Christ as her Savior. **Not only was a precious baby's life spared, but a mother's life was transformed for eternity!** Stories like this remind us that our ministry is about so much more than meeting immediate needs. It is about sharing the love of Christ and offering hope that can change generations.

Cont.

Message from the Executive Director *Cont.*

As we step into the fall season, our hearts are filled with gratitude, but we also recognize that there is much work ahead. The needs of women and families in our communities continue to grow, and our mission remains steadfast: **Empowering women and families to choose life by providing compassionate care, fostering community partnerships, and offering hope for a brighter future.**

I often reflect on the words of Galatians 6:9: "*Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.*" What a beautiful reminder as we enter this season of harvest! Every seed of kindness, every prayer, every gift, and every act of service has the potential to change a life for eternity.

To our faithful supporters, thank you for standing alongside us. Whether you have volunteered your time, participated in our fundraising events, filled a baby bottle, donated baby supplies, supported us financially, or simply lifted this ministry in prayer, **you are part of the story of every life we touch.** The family whose story I shared is just one example of the eternal impact your partnership makes possible.

As we look toward the remainder of 2026, I invite you to continue walking with us in faith, trusting that God has even greater things in store. May this fall season bring you and your families renewed hope, abundant blessings, and the joy of knowing that together, we are making a difference—**one woman, one family, and one precious life at a time.**

With a grateful heart and blessings,

Arlene Rutuelo

END THE YEAR BY MAKING A DIFFERENCE- GIVE THE GIFT OF LIFE!

As 2026 comes to a close, we invite you to partner with the Pregnancy Care Center of New York in bringing hope, compassion, and life-affirming support to women and families facing unexpected pregnancies.

For over 41 years, PCCofNY has been a beacon of hope in our community. Through compassionate counseling, practical resources, and our partnership with CompassCare, we continue to serve women and families when they need us most.

Every life is precious. Every mother matters. Every gift makes a difference!

Your generous year-end donation helps us continue providing vital services, encouragement, and hope to women and their babies.

Would you consider making a special year-end gift today?

No gift is too small. Together, we can make a lasting difference — one mother, one baby, and one family at a time.

Thank you for standing with us, praying for us, and supporting this life-saving mission!
